Seneshal –

Vikings Come Home

It was a bright crisp fall day when our very own Russ (now named Angus) stole victory from a field of over a dozen archery combatants. The competitions included a 30 second timed shoot for as many arrows you could let loose. A wild grouse, a rabbit and a fallow deer were sacrificed for Their Excellencies' feast. Among the excitement, two berzerking Vikings were also taken down by all. It was a fabulous day when the Vikings came home.
