MUSINGS OF THE MAGIC BOX

Webminister / Chronicler –Lady Celestria de Cranham (Carol Girard)

Greetings! Not too much to report this month in the world of Shire Communication.

I'd love to have officer updates to put in the newsletter. We'd also like to see your quarterly reports posted here as well. When you send them to your superiors, just copy me on them and I'll get them into the following month's edition.

Also– a brief word on things for inclusion in the newsletter and / or website. Pictures can be posted in the newsletter or website ONLY if I have a permission to publish form for ALL PARTIES in the picture. If there are people in the picture that I don't have a form for, if their faces are visible, they will have to be "blurred out". Additionally, we cannot publish anything copy written without the proper legal approvals.

BOTIS UPDATES

Autocrat Report–Michelle Hogan

Things are going well in our planning for the event. Don't forget by this time next month our event will be over and done with and hopefully we can plan the garage sale.

The meeting on Saturday was short, quick but very to the point. In attendance were Bart, Russ, The Baron and Baroness of Roaring Waste, Chris, Alouk (our Fight Marshall), and myself. While Dermot's widow did not make it, she has indicated she would like to be Mistress of the List for heavy fighting for us and is very honored that we are going to hold a Novice tourney in Dermot's honor. Alouk is content with most of the plans for Heavy fighting, Chris will forward any changes in information. The Boat battle has been changed.

Baroness Una and Baron Vlachus are looking forward to the event and really like the way things are being set up. Duke Brannos has offered us 6 ships for the event that he has sitting in his garage. Bart has the map updates for where

things have been relocated to, along with a couple notes for new structures the fair grounds has added (these are approximations).

We are having a feast prep on May 7th at Mel's house. We still need to schedule a work day to get the ship in order along with the signs and tables. We are going to need pop ups at the event for the various lists. We are going to be holding a court, Una is going to contact the Baron/Baroness of Cinnabar and Iron Oak to see if they are going to be in attendance and arrange the court set up. Baroness Una is also putting out the word to see if anyone has or said if anyone needs to be nominated for awards and recognition, get them in. Also, we will have the help of Vlachus the Friday of the event to set up lists and for other stuff. I think for now we are set, but we are going to need a couple more short meetings or gatherings just to finalize jobs and equipment.

UPCOMING MAY EVENTS

- After April 1st - Don't forget to Re-Enroll in Kroger Rewards!
- May 7th–Feast Prep Day
- May 20–22–BOTIS!
- May 23–Monthly Business Meeting
